# Adjective in Sentence

---

EXERCISE: - Underline the adjectives in the following sentences. Do not include a, an, and the. Then, draw an arrow from each underlined adjective to the word it modifies.

Example 1:

For many reasons, I think that movie is great.

1. The book is set in America during the latter part of the nineteenth century.
2. Chester Wilkins, the main character, is a Civil War veteran.
3. Wilkins had been an army general.
4. Wilkins, cautious and apprehensive, eventually became a great leader.
5. The friendly general fostered a peaceful transition after the war.
6. However, there were some minor problems.
7. A greater challenge occurs when other veterans arrive.
8. This powerful book was adapted into a film.
9. The crew included talented actors and a skilled director.
10. The director was careful about presenting an accurate picture of the Civil War.
11. She hired a historian to teach Civil War history to many actors in the film.
12. She also dispatched designers to find authentic costumes and weapons.
13. Implementing so many details must have taken the director and the film crew a long time.
14. Some Hollywood critics thought that the three-hour movie would be boring to audiences.
15. Numerous other movie critics, however, found the movie to be a success.

## Answer Keys:

1. The book is set in America during the latter part of the nineteenth century.
2. Chester Wilkins, the main character, is a Civil War veteran.
3. Wilkins had been an army general.
4. Wilkins, cautious and apprehensive, eventually became a great leader.
5. The friendly general fostered a peaceful transition after the war.
6. However, there were some minor problems.
7. A greater challenge occurs when other veterans arrive.
8. This powerful book was adapted into a film.
9. The crew included talented actors and a skilled director.
10. The director was careful about presenting an accurate picture of the Civil War.
11. She hired a historian to teach Civil War history to many actors in the film.
12. She also sent designers to find authentic costumes and weapons.
13. Implementing so many details must have taken the director and the film crew a long time.
14. Some Hollywood critics thought that the three-hour film would be boring for audiences.
15. Numerous other movie critics, however, found the movie to be a success.
