## Combining by Inserting Phrases

DIRECTIONS: Revise each of the following sets of sentences to create one sentence. There may be more than one way to combine the sentences.

- In numbers 1 through 5, the words you need to insert are italicized.
- In numbers 6 through 10, change the forms of words or omit words as indicated in parentheses, and add commas where they are needed.
- Make all changes on the worksheet.

EXAMPLE	<p>Harry Potter found out he was a wizard. He found out <i>from Hagrid</i>.</p> <p>Harry Potter found out from Hagrid he was a wizard.</p>
---------	--

1. Lucy received a Lego set as a Christmas present. She got it *from her cousin*.  
\_\_\_\_\_
